Walking School Bus, Fall  
Festival, and more!

In addition to 2019 Star-rating and Index Score, the two previous years will be displayed.

Comprehensive Support & Improvement (CSI) - Long works with The Nevada Department of Education and School Improvement Department to meet CSI requirements.

**Highlights**

- 7 points away from 2 STARS!
- 5 point increase from 2017-2018 school year!

**What does my school rating mean?**

**One-Star school:** Identifies a school that has **not met** the state's standard for performance. Students and subgroups are inconsistent in achieving performance standards. A one-star school has multiple areas that require improvement including an urgent need to address areas that are significantly below standard. The school must submit an improvement plan that identifies supports tailored to subgroups and indicators that are below standard. The school is subject to state interventions.

**How are school star ratings determined?**

Schools receive points based on student performance across various indicators and measures. These points are totaled and divided by the points possible to produce an index score from 1-100. This index score is associated with a one- to five-star school rating.

**How are star ratings determined based on total index score?**

- Below 27 ★
- At or above 27 but less than 50 ★★
- At or above 50 and less than 67 ★★★
- At or above 67 and less than 84 ★★★★
- At or above 84 ★★★★★

**CSI designation:** This school is one of the lowest performing schools in the state. CSI schools cannot receive more than a two-star rating in the year they are first designated. See the CSI designation report for more information.
