

LESSON FOR MARCH 24, 2020
TAKING CARE OF CHICKENS AND TURKEYS

Hello from home, Long STEAM Leopards! This is Mrs. Neff! I've shared a message with you...

Watch the video FIRST.

There are hundreds of types of chickens. Each has their claim to fame. Check the links below, as these are the chickens we have and have mentioned in the video.

Can you guess why Mr. Neff and I chose these chickens?

I pointed out our Weathervane. It is shaped like a fox. What does the idiom, "the fox guarding the henhouse," mean?

What's an idiom?

ASSIGNMENT

Let's practice ***Gratitude***.

The Long Haul Truckers around this country are working hard to make sure that the items we need are available in the stores. Very little food or products are grown/made in the Las Vegas Valley. These truckers are the heroes that bring the food to us. This is hard for them because most of the businesses where they ate and slept are now closed. You will be sending a Friendly Letter to the Teamsters Union. This will be a way for truck drivers everywhere to be encouraged. They will see your letters on-line. Sign the letter with your first name and use Long Elementary School as your address.

Remember to use capital letters and punctuation!

You may send your letters to me at this address and I will get them to the Teamster's Union.

I hope you enjoyed this lesson. I look so forward to the day when I can see your smiling faces in person again. Stay Safe!

LOVE From,

Mrs. Neff, the Turkeys and Chickens, Melba, Buck, and another true hero....Mr. Neff
